RE: Certification of indexing and inclusion of *Possible: Journal of Thinking*, ISSN 2147-1622 in *The Philosopher's Index*

To whom it may concern:

This is to certify that the philosophical journal *Possible: Journal of Thinking* has been accepted for inclusion in *The Philosopher's Index*. Citations for this journal will now appear in the world's most comprehensive bibliography of writings on philosophy, serving the global philosophical community. Our editorial board has determined we will begin indexing this journal with issues published in 2016 and plan to include all future issues in *The Index* to be available for the use of philosophers, institutions, universities and researchers worldwide.

Once indexed and published, citations for your journal will be available to search in our online index via the following three distributors: EBSCO, Ovid and ProQuest. Their contact information can be accessed here: <http://philindex.org/online-licenses/>. A list of "key journals" included in *The Index* can be found here: <http://philindex.org/scope/journal-coverage/> (please note this list is not exhaustive and may not include your journal as we do not publicly disclose our complete list).

Best regards,

Dr. Richard Lineback, editor
